

Remarks:

The preliminary amendment is being filed in an effort to present an application in proper U.S. format and to present claims in proper U.S. claim idiom for examination.

The newly entered claims are fully supported claims originally filed in the international application and in the claims submitted on December 23, 2004, as well as in the claims of the German priority application.

An early action on the merits is requested.

Respectfully submitted,

For Applicants
